BOARD COMMITTEES AND MEETINGS

During the fiscal year ended December 31, 2000, the Board of Directors held seven meetings. The Board currently has an Audit Committee and a Compensation Committee.

The Audit Committee meets with the Company's independent accountants at least annually to review the results of the annual audit and discuss the financial statements; recommends to the Board the independent accountants to be retained; and receives and considers the accountants' comments as to controls, adequacy of staff and management performance and procedures in connection with audit and financial controls. During the year ended December 31, 2000, the Audit Committee was expanded from two to three non-employee directors who meet the definition of "independent directors" under the National Association of Securities Dealers' listing standards, and as of December 31, 2000 was composed of Mr. Dean K. Allen, Dr. George W. Morgenthaler, and Mr. Gerard Munera. The Audit Committee met twice during such fiscal year.

In June 2000, the Board adopted a written Charter of the Audit Committee which requires that, commencing on or before June 14, 2001, the Audit Committee be comprised of three or more independent directors, at least one of whom has relevant financial or accounting experience.

The Compensation Committee makes recommendations concerning salaries and incentive compensation, awards stock options to employees and non-employee directors under the Company's stock option plans and otherwise determines compensation levels and performs such other functions regarding compensation as the Board may delegate. PROPOSAL 2 RATIFICATION OF SELECTION OF INDEPENDENT ACCOUNTANTS

The Board of Directors has selected Arthur Andersen LLP as the Company's independent accountants for the fiscal year ending December 31, 2001 and has further directed that management submit the selection of independent accountants for ratification by the stockholders at the annual meeting. Arthur Andersen LLP has audited the Company's financial statements since 1991. Representatives of Arthur Andersen LLP are expected to be present at the annual meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Although stockholder ratification of the selection of Arthur Andersen LLP as the Company's independent accountants is not required by the Company's Bylaws or otherwise, the Board is submitting the selection to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee and the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee and the Board in their discretion may direct the appointment of different independent accountants at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the annual meeting will be required to ratify the selection of Arthur Andersen LLP.

THE BOARD OF DIRECTORS RECOMMENDS
A VOTE IN FAVOR OF PROPOSAL 2.

EXECUTIVE COMPENSATION

COMPENSATION OF DIRECTORS

During 2000, each non-employee director of the Company received a quarterly retainer of \$2,000 for the first three quarters and \$1,000 for the fourth quarter of the year; per meeting fees of \$2,000 for attendance at non-telephonic Board meetings during the first three quarters of the year and of \$1,000 thereafter; \$500 for attendance at telephonic Board meetings; and \$500 for attendance at committee meetings through the first three quarters and \$250 thereafter. In the fiscal year ended December 31, 2000, the aggregate compensation paid to all non-employee directors was \$72,000. The members of the Board of Directors are also eligible for reimbursement of their expenses incurred in connection with attendance at Board meetings, in accordance with Company policy. Since January 1, 2001, each non-employee director of the Company has received a quarterly retainer of \$1,000 and per meeting fees of \$1,000 for attendance at non-telephonic Board meetings, \$500 for attendance at telephonic Board meetings and \$250 for attendance at committee meetings.

Each non-employee director of the Company also receives automatic grants of non-statutory stock options under the Company's Amended and Restated 1997 Equity Incentive Plan. Upon the initial election or appointment of a non-employee director to the Company's Board of Directors, such director is automatically granted, without further action by the Company, the Board of Directors or the stockholders of the Company, a non-statutory option to purchase 7,500 shares of common stock. On the date of each annual meeting of the Company's stockholders, each person who is then a non-employee director is automatically granted an option to purchase that number of shares of common stock of the Company determined by multiplying 5,000 shares by a fraction, the numerator of which is the number of days the person continuously has been a non-employee director

since the date of the last annual meeting as of the date of grant and the denominator of which is 365. The exercise price of such options may not be less than 85% of the fair market value of the common stock subject to the option on the date of the option grant. The options may be exercised as provided in each option agreement which typically states that the option may not be exercised until the date upon which the option holder has provided one year of continuous service as a non-employee director following the date of grant of the option. The term of each option is 10 years. If the non-employee director's continuous status as a director terminates, the option will terminate on the earlier of its expiration date and three months following the date of such termination.

During the fiscal year ended December 31, 2000, the Company granted options covering an aggregate of 47,500 shares to seven individuals serving as non-employee directors of the Company, at a weighted-average exercise price of \$1.33 per share. During the fiscal year ended December 31, 2000, options for an aggregate of zero shares of common stock were exercised by individuals currently serving as non-employee directors.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee, as of December 31, 2000, was comprised of Mr. Dean K. Allen, Dr. George W. Morgenthaler, and Mr. Gerard Munera, each of whom are independent as such term is defined in Rule 4200(a)(15) of the NASD listing standards. As required by the written Charter of the Audit Committee adopted by the Board of Directors in June, 2000 and included with last year's proxy statement for the 2000 annual meeting, the Audit Committee reviewed and discussed the audited financial statements for the Company with the Company's management. The Audit Committee has also discussed with Arthur Andersen, the Company's independent accountants, the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended. The Audit Committee has received from Arthur Andersen the written disclosures and the letter required by Independence Standards Board Standard No. 1, and the Audit Committee has discussed with Arthur Andersen that firm's independence. Nothing came to the

attention of the Audit Committee that caused the Audit Committee to believe that the audited financial statements contain any materially misleading information or omit any material information. Based upon these discussions and the Audit Committee's review, the Audit Committee recommended to the Board of Directors that the Company include the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2000.

The Audit Committee also reviewed and discussed the fees paid, as listed below, to Arthur Andersen during the last fiscal year for audit and non-audit services and has determined that the provision of the non-audit services are compatible with Arthur Andersen's independence. For fiscal year 2000, the Company paid Arthur Andersen aggregate fees of approximately \$105,900.

AUDIT FEES

The Company paid Arthur Andersen approximately \$67,000 for aggregate fees billed for professional services rendered for the audit of the Company's 2000 annual financial statements and review of the Company's 2000 quarterly financial statements.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

Arthur Andersen did not render financial information systems design and implementation services and therefore no fees were billed for such services.

ALL OTHER FEES

The Company paid Arthur Andersen approximately \$38,900 in aggregate fees for other professional services, including services associated with proxy filings, federal and state tax compliance, an Internal Revenue Service audit, and business advisory services.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

The Company's executive compensation program is administered by the Compensation Committee of the Board, which is composed of four non-employee members of the Board. The Compensation Committee reviews compensation arrangements of all executive officers of the Company and recommends certain arrangements to the Board for approval. In reviewing the compensation of individual executive officers, the Compensation Committee takes under consideration published industry compensation surveys, compensation paid to executive officers at other comparable companies, current market conditions and the recommendations of management.

COMPENSATION PHILOSOPHY

The Company's compensation philosophy is to (i) provide a compensation program that will be able to attract and retain high caliber managerial talent, (ii) provide compensation opportunities that are competitive with those provided by other comparable companies, and (iii) create a balance between short-term performance measures and long-term strategic direction and decisions through incentive programs which are linked to stockholder value. Available forms of executive compensation include base salary, annual performance bonuses and stock options.

BASE SALARY

Base salary for executive officers is determined in the same manner as that of other salaried employees. Salary guidelines are established by comparing the responsibilities of the individual's position in relation to similar positions in comparable companies. Individual salaries are determined considering the person's performance against certain corporate objectives, such as successful execution of the Company's strategy, comparisons of budgeted amounts to actual amounts and overall profitability of the Company.

BONUS PLAN

The Bonus Plan, an annual incentive award plan, is a variable pay program for officers and other senior managers of the Company to earn additional annual cash compensation. The actual incentive award earned depends on the extent to which the Company or division objectives are achieved. At the start of each year, the Compensation Committee and the Board review and approve the performance objectives for the Company and individual officers. The Company's objectives consist of operating, strategic and financial goals that are considered critical to the Company's fundamental long-term goal--building stockholder value.

After the end of the year, the Compensation Committee evaluates the degree to which the Company has met its goals and establishes a total bonus award pool under the Bonus Plan. Individual awards are determined by evaluating each participant's performance against personal objectives and allocating a portion of the award pool base upon a participant's contribution during the year. Awards are paid in cash in January or February following the performance year.

AMENDED AND RESTATED 1997 EQUITY INCENTIVE PLAN

The 1997 Plan authorizes the Compensation Committee, or its designee, to grant incentive or non-statutory stock options to purchase shares of the Company's common stock. The purpose of the 1997 Plan is to enable the Company to attract, retain and motivate its employees and to enable employees to participate in the long-term growth of the Company by providing for or increasing the proprietary interest of such employees in the Company. Periodic grants are generally made annually to eligible employees, with additional grants being made upon commencement of employment and, occasionally, following a significant change in job responsibilities, scope or title. Grants to executive officers under the 1997 Plan are

designed to align a portion of the executive's compensation with the long-term interests of the Company's stockholders.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In connection with the acquisition of Spin Forge, the Company advanced \$280,000 to the seller thereof. Prior to the acquisition, the seller was owned and controlled by Mr. Joseph Allwein and his spouse. Later in 1998, Mr. Allwein was named President and Chief Executive Officer of the Company and served in that capacity until his resignation in the third quarter of 2000. The advance was made to allow the seller to retire certain debt that was outstanding on land and buildings that the Company currently leases from the seller and on which the Company holds a purchase option. The Company also agreed to make additional advances to the seller in connection with future principal payments that the seller was required to make to satisfy debt obligations relating to the property. The Company made additional advances totaling \$74,588 during 1999, bringing the balance outstanding to \$354,588 as of December 31, 1999. No additional advances were made during 2000. The outstanding balance was paid in full the first quarter of 2000.

On March 16, 2001, the Company announced that it had reached agreement to acquire 100% of the stock of Nobelclad Europe S.A. ("Nobelclad") and Nitro Metall Aktiebolag ("Nitro Metall") from Nobel Explosifs France ("NEF"). Nobelclad and Nitro Metall operate cladding businesses located in Rivesaltes, France and Likenas, Sweden, respectively, which generated combined revenues of approximately \$10.5 million in calendar year 2000. NEF is wholly owned by Groupe SNPE and is a sister company to SNPE, Inc., which owns 55.09% of the Company's common stock. The acquisition closed on July 3, 2001. The purchase price was financed through a \$4.0 million intercompany note agreement between the Company and SNPE, Inc. and the assumption of 9.5 million French francs in third party bank debt associated with Nobelclad's acquisition of Nitro Metall from NEF prior to the Company's purchase of Nobelclad stock.
